ASSA ABLOY Service Center accounts now have the capability to enter stock orders through the ASSA ABLOY Extranet. Create online pre-printed order forms from templates, track order status, order history and shipping information direct from your mobile device.

Process

- Orders can be entered from any web enabled device: computer, tablet, mobile phone
- Capability to enter tag numbers and notes
- Orders are pre-priced at list prices
- Order goes directly into the ASSA ABLOY Service Center system and will be reviewed and released within four hours
- Priced order acknowledgement follows within 24 hours

Getting Started

- Send an e-mail to Joe Poborsky requesting user setup joe.poborsky@assaabloy.com
- Log on to assaabloydss.com and enter the secure site
- Select 'Online Order Entry' to begin your order

Training

- Available to all customers and Door Security Solutions representatives
- Personalized training via phone or webinar if required
- Step by step instructions using screen shots available for self training
